Senior Class History

In the year of 1944 the now almighty seniors were beginning as Freshmen, knowing that we would face many hardships and many misunderstandings, in the years to come, but we lived up to our motto which is: "HE WHO CONQUERS, CONQUERS HIMSELF".

In the beginning, fourth - and fortieth year of our Lord, in the ninth month there entered into this land of learning six- and- fifty seekers of knowledge. Some came from one school and some from another, but nevertheless we were grouped together as one group.

And as we dwelt together we became acquainted with the behavior and the ways of our fellow students.

Our first year we were honored by having Miss Geraldine Tye as Queen Attendant and Miss Alberta Robinson as Sweetheart of Rosenwald. During this we were well represented in the Who's Who in Rosenwald, with students from our class winning such honors as most versatile, most popular, friendliest, cutest, smartest and the prettiest.

As we started our second year our class was somewhat smaller with a number totaling eight- and- thirty. Some of those that were missing had gone to various other schools and some had quit.

And that year we were honored by having the Football Queen, Miss Bettye Sue Mills, and also the Sweetheart Miss Evelyn Martin. This was a year of progress and success and all the students enjoyed it very much.

In our third year we were honored by having the Co-Queen Miss Stella Thompson and Miss Bernyce Jackson Sweetheart. Our class had the most outstanding athletics and this was also a prosperous year.

We were honored by having the Football Queen Miss Mary Fuller. We were again victorious for the fourth consecutive year, in having Miss Sarah Copeland as Rosenwald's Sweetheart.

We found our Senior year very pleasant excepting French when the vagueness of it crept through our wondering minds. We were looking forward to our graduation and are proud to graduate from Rosenwald High.

Class Prophecy

During the early Spring of 1965 I traveled quite extensively because I had always planned to do so.

My first visit was in Washington, while there I visited Bettye Millis the owner of the "Mills Dress Shoppe", with Virginia Johnson and Mary Fuller as her two models.

A few nights later they took me out to the "Bahama Night Club", after entering, and taking a seat I noticed under the spot light a very familiar face it was none other than Mary Long Vocalist at the Club and Ernest "Silent" Turner's Orch.

On Saturday night they took me to Spokane arriving at the early part of the night we ran across Willie Jackson and Roy Carlock Lawyers for the city of Spokane.

Mr. Jackson and Mr. Carlock accompanied us to a hotel to spend the night, we glanced up at the neon sign that read "Tye-West Hotel". It was one of the most beautiful quiet and accomodating hotels in the city owned and operated by Willie Tye and Richard West. My days were few in Washington so after seeing several of my classmates I had to travel on.

After two weeks in Washington I left for Portland, Oregon. On the train I noticed the familiar walk of the conductor, finally he turned around and I saw that he was Ernest Harbin another one of my classmates on the train I met former Bernyce Jackson a Foreign Missionary. She told me that she had been traveling quite extensively without her husband Ernest Biddings who was Captain in the Army Air Force stationed at Hamilton Field, Calif. Mrs. Biddings told me while she was working in Idaho that she saw Mr. and Mrs. Harold Harris operating a Funeral Home. Mr. Harris a Mortician and his wife former Sarah Copeland as his Lady Assistant. There I also met Floyd Turned working as Pres. of the Standard Oil Company. My talk with Mrs. Biddings was quite enlightening.

The next day I left for Nevada to visit my sister Pauline Seay who was the owner of the largest Beauty Shoppe in Nevada, she told me about her previous trip to Florida where she saw Mildred Davis, and Irma Phillips on her first visit to the Beach and their occupation was working as Life Guards. My trip seems much happier there because I arrived just in time to see several basketball games. I also met Francis Goins coaching a swell team, Paul Kennedy the Assistant Coach and Robert Rogers Football Coach. I spent two weeks in Nevada from there I went to California.

In California I wasn't expecting to meet anyone else that I knew so soon. I caught a cab and went to the U. S. O. Center, when I entered I sat off to myself, someone came and touched me on my shoulder. I turned around and it was Lorenza Chambers, we sat and talked awhile about some of our old friends and his enjoyable occupation as an Army Surgeon and Rosa Feagin his head Nurse.

We left the center and went to search for Rosa, we found her alone studying upon her French Vocabulary, because she was planning to go to France to work.

Spending just a few days in California I caught a plane to Honolulu where I went expecting to find some kind of nice occupation. On the plane I was Loretta Dobbins working as a Stewardess traveling from place to place.

In Honolulu I noticed people staring at someone in a crowd. I went closer to see what everyone was looking at and it was Geraldine Tye and Audrey Tye entertaining the Veterans of World War II.

After being in Honolulu for about four weeks without work, I was acting President of the Y. W. C. A. In the absence of the President.

My trip ended and was one of most enjoyable trips of my Career.

Class Song

(Tune of Londonderry Air.)

Dear Rosenwald we hate to leave you now
at last,
We have to go and seek a higher class
A class where we can finally reach our happiness,
As we go along our roads to success.
(Chorus) We hate to go since all the times we've spent
with you, and all our friends we're leaving here
behind,
But now we're gone, to try to reach our happiness
as we go along our roads to success.

Willie E. Tye

Class Poem

"FAREWELL THOUGHTS"

When the twilight shadows cover
Hill and dale with purple hue,
Then, my dearest Alma Mater,
All our thoughts will turn to you-
Joyous thoughts so full of rapture,
Yet so sad and edged with pain;
Thoughts of the days in Rosenwald
That will never come again.

We owe so much to our teachers
Who have helped us on our way.
Thoughts at time we tried their patience
By our noise and idle play,
We will never forget their teaching.
And as into the world we go,
By their wise and careful guidance
We will conquer friends and foe.

We have rested securely sheltered
Under Rosenwalds protective wings,
But like Birdies growing stronger,
Now we'll fly to higher things.
So good-bye to you, dear teachers,
Schoolmates kind, and Rosenwald.
May your stately wall stand ever,
Though wars may rise and kingdoms fall.

Audrey J. Tye.

Football News

The Red Devils' football coach Mr. J. N. Kendall, former All American of Kentucky State College, was greeted by 11 lettermen from the 1946 squad, when they captured the first C. V. C. Conference since 1942, winning 6 games losing 1 and tying 1.

The most thrilling games of the season were Applachie, Va. and Lynch Ky., when we fought the Applachie "Bearcats" to 0-0 half time, but later pulled away in the last quarter to a 12-0 win. We also took a 8-0 win over Lynch that depended a great deal on the championship. In this games we reached our peak.

Middlesboro gave us our only licking 19-0 which was the third of the year. Later we came back to win over Benham, Jenkins, Mt. Sterling, Georgetown, Ky. and tying Bristol, Tenn.

A big loss from the 1947 squad will be 11 lettermen: Co-Capt. Ernest Biddings, Robert Rogers, Ernest Turner, N. McClendan, Capt. Francis Goins, Floyd Turner, J. D. Weldon, Ernest Harbin, Willie B. Jackson, Harold Harris and O. C. Dupree.
